To Whom It May Concern:

On March 27th, 2011 at 6 pm the Atlanta Montessori International School (AMIS) Education Foundation will host its annual fundraising auction, entitled, "Passport To The World."

Over a hundred years ago, when only the wealthy Italian children received a formal education, Maria Montessori started a school on the belief that any child can succeed no matter their economic background.

In that belief, the Atlanta Montessori International School (AMIS) Education Foundation was created to provide economic assistance to help children from all economic backgrounds the opportunity for a Montessori education.

We request support from community businesses and organizations through financial sponsorships and donated items to auction off at this year's event. Proceeds enable the AMIS Education Foundation to provide financial assistance to as many children as possible to attend the school.

Please review this sponsorship packet to learn more about how to contribute to this annual auction.

Thank you for consideration as we strive to help our community and provide children with a Montessori education.

Kind regards,

Latoicha Givens and Yared Alemu
